As at 31 March 2024. Please note: Insight's definition of 'assets eligible for ESG integration' includes assets under management in cash securities. Other economic exposure, in the form of either liability benchmarks or other synthetic exposures, has been removed at the portfolio level. Insight's firm total assets under management (AUM) are represented by the value of both cash securities and other economic exposure that we manage for clients. The data in this PRI reporting reflects the AUM in cash securities of Insight, the corporate brand for certain companies operated by Insight Investment Management Limited (IIML). Insight includes, among others, Insight Investment Management (Global) Limited (IIMG), Insight Investment International Limited (IIL), Insight Investment Management (Europe) Limited (IIMEL) and Insight North America LLC (INA), each of which provides asset management services.
